

## How to Get Involved

Outlined below are the steps involved in planning a stenciling outing.

- 🐟 Choose a date and location for your activity.
- 🐟 Contact the Kane-DuPage Soil and Water Conservation District at 630.584.7961 Ext.3 to schedule a time to pick up stencils, paint, log sheet and door hangers at the KDSWCD office in St.Charles.
- 🐟 Contact your municipality and make them aware of your planned stenciling outing. They may be able to provide you with safety vests and/or cones to ensure the safety of your group.
- 🐟 Assemble the supplies you are responsible for. This includes items such as old cloths, wire brooms to clean the surface, and old rags for cleaning up.
- 🐟 Use the door hangers provided by the KDSWCD to educate neighbors about the program and the need to reduce non-point source pollution.
- 🐟 When you are finished submit your Data Card to the KDSWCD.
